

Artisan Fire Bowls

Warmth, Style & Ambiance. Eldorado Fire Bowls bring a heightened level of design and elegance to any outdoor space. Made from strong, glass-fiber reinforced concrete and hand-sanded through a four-step finishing process. Each Artisan Fire Bowl renders a true one-of-a-kind creation with subtle variations in color and texture similar to natural limestone. They're as functional as they are beautiful, incorporating a 65,000 BTU gas burner, providing ample heat on cool nights. Fire Bowls ship complete with lava rock and certified CSA components for natural gas or liquid propane. Choose from four different colors in either honed or travertine finishes.

The Marbella in Oak Barrel Travertine.

Marbella™

39"W x 19.75"H

The Marbella bowl captures the essence of the Romanesque period. Its gently rounded bull nose and elegant foundation are hand-sanded, creating the natural feel and texture of limestone. The Marbella is perfect for a variety of traditional landscape settings.

Infinite™

36" w x 18.75" h

As the name implies the Infinite is limitless in its design applications. The simple yet elegant shape will naturally draw attention for its style and inviting warmth. Perfect for both residential and commercial applications, Infinite can change appearance from modern to traditional by simply selecting the weathered & textured Travertine finish.
