## 2017 Membership

We are now accepting members for our 2017 season. We give priority to existing members so sign up now! For questions or a Membership Registration Form, please contact Lilley at (610) 558-6799 or [mlilley@osfphila.org](mailto:mlilley@osfphila.org).

Construction has begun on our third high tunnel for the farm. We thank you for your support and encouragement over the past three years. Without you this dream of ours would not be possible!

Merry  
Christmas

## End-Of-Season Survey

We will soon be conducting our online end-of-season survey. You will receive a link via email which will take you to the survey which includes a few short questions. We value your opinion and use your feedback as we plan for next season. So, please don't be shy- - let us know what you thought of your CSA share and your experience at the farm this season!

## Work Shares

Interested in becoming a work share like those pictured above? All work shares receive a full share, which is 24 weeks of produce, in exchange for 100 hours of on-farm work.

The work consists of everything from weeding and planting to harvesting and special projects. The selection process will be based on your availability, willingness, and need. This is a great way to truly get connected to your farm. For questions or a 2017 Work Share Application, please contact Lilley at (610) 558-6799 or [mlilley@osfphila.org](mailto:mlilley@osfphila.org).
