Glazed Hakurei Turnips

Ingredients:

- 1 bunch baby hakurei turnips, cut in half, greens reserved
- Chicken or vegetable stock
- 3 tablespoons unsalted butter
- 1 tablespoon sugar
- Kosher salt

Preparation:

Place turnips in a large skillet; add stock to cover turnips halfway. Add butter, sugar, and a large pinch of salt; bring to a boil. Cook, stirring occasionally, until liquid is syrupy and turnips are tender, about 15 minutes. (If turnips are tender before liquid has reduced, use a slotted spoon to transfer turnips to a plate and reduce liquid until syrupy. Return turnips to pan and stir to coat well.)

Add turnip greens to skillet and cook over medium heat, stirring occasionally, until just wilted, 2-3 minutes. Season with salt.

Keep it Local

Please support your locally owned businesses this holiday season.

Here are a few reasons why:..

- * Locally owned businesses build strong communities by sustaining vibrant town centers, linking neighbors in a web of economic and social relationships, and contributing to local causes.
- * They recycle a much larger share of their revenue back into the local economy, enriching the whole community.
- * Locally owned businesses create more jobs locally and, in some sectors, provide better wages and benefits than chains do
- * They help to sustain vibrant, compact, walkable town centers-which in turn are essential to reducing sprawl, automobile use, habitat loss, and air and water pollution.

Our Tuesdays and Fridays just aren't the same without you!
